

# ABOUT OASIS

## HOW OASIS MAKES FINDING THE RIGHT SENIOR HOUSING SIMPLE.

Have you reached a point where you're having trouble living on your own? Or do you have an aging family member facing this problem?

If so, it's time to call Oasis Senior Advisors.

We're your local senior housing professionals, and we're dedicated to giving you all the help you'll need to make the housing transition that will be right for you.

And better yet, you won't pay a single cent for any of our services. We're fully compensated by the local communities with which we work.

## OUR PROVEN FIVE-STEP PROCESS FOR FINDING "THE RIGHT PLACE" EVERYTIME.

1. Our first meeting, where you'll find out what to expect and how we're going to help you.
2. An in-depth, follow-up discussion to identify your lifestyle preferences, health care issues, daily living needs, and any location and financial considerations.
3. A look into available funding options, such as Veteran's Aid and Attendance, Long Term Care benefits, reverse mortgages—anything that can help reduce your monthly housing cost.
4. Providing a personalized list of the local\* housing options that will best meet your specific needs.
5. Setting up tours for you at each of the communities you select, and then going with you until you've found the right place, and you feel confident with your choice.

\*If you wish to move to another part of the United States, we are a national resource, with offices and connections around the country.

### These are the types of communities we work with.

- ▶ Assisted living
- ▶ Independent living
- ▶ Retirement communities
- ▶ Residential care homes
- ▶ Skilled nursing homes
- ▶ Memory care
- ▶ Respite services
- ▶ Hospice
- ▶ And others

Because the **right place**  
means everything

With the professional, comprehensive help we provide, making this kind of lifestyle transition doesn't have to be stressful or confusing. In fact, one of the things we love most about what we do is something we've seen over and over again...

**In the right senior living situation, everyone thrives.**
