

## **Let's "Sing a New Song"!**

Choir practice begins Wednesday September 4<sup>th</sup> at 7:00 PM. Due to the comings and goings of members we need your help to carry on our ministry of serving God and our parish through music.

Our parish choir needs singers. Will you please help us out? Both old and new members of our parish are more than welcome. You would be part of a group that is close and enjoys its work in serving God and the parish through the gift of music.

If you know any of the present members of the choir, they would also be most happy to share with you their experiences singing at St. Paul's. Age is no barrier - from high school through 110! Please prayerfully consider joining us. We need you!
